“Beg yu de ball. Yu have any money to give mi ?”

Look carefully at the drawings.

Most of the people in the picture are visitors who are on a beach on Jamaica's Northcoast.

Read what the Jamaicans are saying to the visitors. When we do not allow our visitors to enjoy themselves in the ways they want to, we are bothering or harassing them.

Tourist harassment often causes conflict.

DISCUSS: Suggest how Jamaicans could help tourists rather than harassing them.
